CLASSROOM NEWS FROM THE LOFT
JANUARY 2012

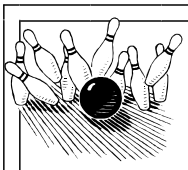
This month we bid good bye to our friend Genevieve who is returning to Hawaii. Genevieve made many friends during her short time with us and she will be missed.

We will also be making a new friend with the arrival of Mhari who is three and has a brother who will be in the infant program. Welcome Mhari!

We are singing snowman songs and are learning all the words to Frosty the Snowman.

We are also listening to music pieces each day that lend themselves to images the children can easily picture on their own with a little help from the book and CD. The children are also learning that music can make us have different feelings such as happiness, sadness, and excitement.

We have some leftover bananas this month that we are going to use to make banana muffins.



Don't forget the CMS Bumper Bowling Party on Sunday, Jan 22 from 1-3pm!

The kindergarteners are beginning work on their book of the United States. Over the next few weeks they will be finding the states from the US puzzle map, tracing around each state and labeling them. They will get a lot of practice putting the US puzzle map back together!

Scholastic Book orders are due Jan. 17

School will be closed Jan. 16 in honor of Martin Luther King,
