

Pin Code Order Form

The security of the children at Canton Montessori School is of utmost importance to us. Parents must obtain a pin code to gain access to the front door and to the stairwell which leads to the other environments.

If you will primarily be dropping off or picking up your child(ren), no additional code is required. If there is an occasion where someone else will drop off or pick up your child, those authorized individuals can simply use the intercom to alert our Front Desk of their arrival and show proof of identity before being admitted.

If there will be additional individuals who frequently drop off or pick up your child(ren), you may request a separate code for them.
