

Student Use of the Internet Educational Use Policy and Agreement

Elementary students

1. Student use of the Internet is governed by principles of ethical use and current law governing copyrighted materials, etc.
2. The use of Internet accounts is for educational purposes only and is a privilege that may be revoked by a Directress, Assistant, Head of School, Internet Coordinator, and Internet Provider at any time.
3. All telecommunications access on school computers is limited to school obtained accounts and is restricted to educational business and school related projects. (Personal Accounts on commercial services or other Internet providers may not be used in school.) The Directress, CMS Staff, or Internet Coordinator must supervise student use.
4. Students and parents agree to abide by these terms and conditions, and understand that they will be held accountable for consequences of inappropriate use. They further understand that Canton Montessori School has taken available precautions to restrict/limit access to controversial materials; however, on a global network it is impossible to control all materials.
5. Computers, including all information, programs, software and use privileges belong solely to the school and are subject to review and inspection at any time without suspicion or cause. The school reserves the right to inspect, copy and/or delete all files and records on school computers or accessed through school accounts.

iPad Use Policy

1. Games may not be played on any computer or mobile device. Exceptions may be made for course specific needs if authorized by the course instructor and approved by the IT Director.
2. File sharing, Peer-to-Peer (P2P), downloading, copying, or otherwise distributing any music, videos, pictures, or other copyrighted materials is strictly prohibited and is punishable by law.
3. Software may not be loaded or installed on any school computer. Software apps may be installed onto school issued iPads, but must comply with the use policies in this document.
4. Changing or tampering with any of the computer's system configuration or mobile device's security settings is prohibited. This includes, but is not limited to, removal of configuration profiles, altering security preferences, jail-breaking, app-cracking, etc.
5. Changing or tampering with any school owned technology such as computers, displays, mobile devices, keyboards, mice, power adapters, cables, etc. is prohibited.
6. Users may not bypass, circumvent or otherwise defeat any software or hardware security measures, Internet content filters or antivirus protection, by any means including, but not limited to, proxy websites and services, bypass filters, portable apps, or boot-loading measures.

(OVER for signatures)

7. While at school, all users must use the Internet access provided by CMS. Users are not permitted to create hotspots, share Wi-Fi connections, tether devices or otherwise bypass the school network.
8. Users may not attempt to gain access, modify, or delete other users' data, or attempt to intercept any transmission of such data.
9. Users may not share their login account information, username or password with anyone. It is the user's responsibility to protect this information. Users are prohibited from logging in to multiple computers under a single account.
10. Audio and/or video recording is not permitted at any time unless authorization is given by individuals being recorded.
11. Users must abide by local, state, and federal laws such as, but not limited to, copyright law, licensing laws, privacy laws, and CMS policies and guidelines.
