

February 2025

Dear Canton Montessori School Supporter,

Canton Montessori School has provided exceptional Montessori education to the children in Canton and the surrounding communities for over 50 years. This tradition of excellence is a direct result of the dedicated faculty/staff, committed families, and the generosity of our community, such as you. Each year we continue to see the critical importance of providing our students with a superior educational experience that allows their natural curiosity and desire to learn. Our students come together each day not only to learn but thrive as thoughtful future leaders in our community.

On May 3rd, Canton Montessori School will host its annual Spring Fling fundraiser. As a private, non-profit school, CMS cannot rely on tuition alone to meet its fiscal needs. Your support and commitment to CMS allows us to continue our important mission of meeting the needs of students of all economic backgrounds and providing them with a superior Montessori education. In the past, funds raised at this event have allowed the school to renovate our outdoor play areas, purchase new materials and furnishings for our classrooms, repair and maintain our historic building, and provide much-needed scholarship funds for our families.

Your support of this event will tremendously impact the day-to-day education of our enrolled children, now and for years to come. Enclosed is our sponsorship/donation form. There are many ways you can contribute. Canton Montessori School is a 501c (3) non-profit organization, and contributions to our organization are tax-deductible. All donations will be acknowledged in writing with a receipt for tax purposes.

I appreciate your consideration. If you have any questions or need further information, please contact me at (330) 452-0148 or [hos@cantonmontessori.org](mailto:hos@cantonmontessori.org).

With Greatest Appreciation,

A handwritten signature in black ink that reads "Emily J. Ramos, Ed.D." in a cursive style.
