

Dear CMS Friend,

At Canton Montessori School, we believe that every child deserves the chance to grow into a confident, compassionate, and capable individual. That transformation starts with an education rooted in curiosity, independence, and joy — a journey that's made possible because of community champions like you.

I'm writing to invite you to become a **sponsor of our 2026 Spring Fling**, our school's largest and most joyful fundraising celebration, happening this coming spring. This year's event promises to be more than just a fun evening—it's an opportunity to directly impact the lives of children and families who value the kind of education only Canton Montessori can provide.

Your sponsorship isn't just a logo on a sign—it's:

- **Access to high-quality Montessori education** for families who otherwise couldn't afford it
- **Enrichment programs** that help students explore music, nature, language, and more
- Safety and security for our students by providing privacy fencing, security cameras for our campus and other necessary enhancements
- A powerful way to show your **commitment to children, education, and our community**

We offer a variety of sponsorship levels (enclosed), each with meaningful recognition and benefits—ranging from social media promotion and event signage to tickets and naming opportunities.

As someone who values innovation, integrity, and investment in future generations, I hope you'll consider partnering with us. Your support will make a lasting difference in the lives of our students—and show our greater community that local businesses and individuals believe in the power of education.

I would love the opportunity to talk with you personally and explore the best sponsorship fit for you or your organization. Please feel free to contact me directly at hos@cantonmontessori.org.

Thank you for considering this invitation. Together, we can create an unforgettable evening—and an even brighter future.

Gratefully,

Emily Ramos, Ed.D.
Head of School

P.S. Early commitment helps us promote your sponsorship longer and more effectively—if you're able to confirm your participation by **January 30, 2026** we'd be thrilled to feature your support right away!
