Wednesday, February 25

6:00 - 6:30 pm A - J | 6:45 - 7:15 pm K - Z

Blackburn Campus

PLEASE REFER TO THE GUIDELINES  
FOR KEY INFORMATION

## Parent Visit Night Guidelines

- Allow your child to take the lead. Let your child show you what is important to him/her.
- Refrain from visiting with other parents while in the environment.
- Use soft voices so that others are not disturbed. Please do not call across the classroom.
- Do not sit on table tops or the shelves. Plan to sit or kneel next to your child. (Adult chairs available if needed.)
- Please realize that this is not a “typical day”. If you have questions about your child’s typical work cycle, please contact your child’s Directress.
- Younger and older siblings can be very distracting. This visit is special for the student. Please arrange for care or take turns with another family member.
- Children may have one work choice at a time. Work should be returned to the same place he/she found it before a new work is chosen.

**We look forward to a great evening!**
