Week of October 18

FAMILY NIGHT

On October 20 and 21, we will be hosting Family Night. This is a special opportunity for students to welcome their parents into the classroom and walk them through their environment.

Tuesday, October 20: Blackburn Campus

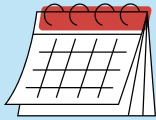

6:00 - 6:30 pm A - J | 6:45 - 7:15 pm K - Z

Wednesday, October 21: 15th Street Campus

6:00 - 6:30 pm A - J | 6:45 - 7:15 pm K - Z

Because this visit is meant to be a special experience for each student, we ask families to keep siblings at home when possible or to take turns attending with another family member. This helps minimize distractions and allows your child to fully enjoy sharing their environment with you.
